Director’s Message

Dr. Shivakant Upadhyaya

At N. K. E. S.’s Sir M. Visvesvaraya Institute of Management Studies and Research (SVIMS), Mumbai, we strive to bridge the gap between management education and the evolving needs of the corporate world. Our AICTE-approved PGDM and University of Mumbai-affiliated MMS programmes equip students with management knowledge, analytical thinking, communication skills, and the ability to approach business challenges with confidence and responsibility. Our students bring fresh perspectives, diverse aspirations, and a strong willingness to learn. We invite corporate organisations to discover their potential and provide opportunities for them to translate their learning into meaningful contributions. We look forward to building lasting industry partnerships that align emerging talent with organisational aspirations. Together, let us transform potential into performance.

Message From Head of CRC

Prof. Atul Mandale

Campus recruitment is a significant milestone in every student's professional journey and an opportunity for organizations to identify talented, industry-ready management professionals. At SVIMS, the Corporate Resource Cell (CRC) functions as a strategic bridge between academia and industry. Our objective extends beyond facilitating placements—we focus on developing competent, ethical, and business-oriented professionals who can create value from the very beginning of their careers. At SVIMS, we believe that the return on education begins during the programme itself through our distinctive "Earn While You Learn" internship model, enabling students to gain meaningful corporate experience alongside their academic journey. A distinctive strength of SVIMS is our 'Earn While You Learn' model through the PGDM with Industry Immersion Management Studies programme, which enables students to gain hands-on corporate experience alongside their academic curriculum. Through internships, live projects, certifications, guest lectures, industry interactions, and continuous employability training, our students develop the practical knowledge, professional attitude, and leadership competencies expected by today's organizations.

Our recent placement outcomes reflect the effectiveness of this approach, with 100% placements for PGDM and 94% placements for MMS students, supported by a strong network of recruiters across diverse industry sectors. We sincerely thank our recruiting partners for their continued confidence in SVIMS and warmly invite new organizations to engage with our talented pool of management graduates. We are committed to making your recruitment experience seamless, efficient, and rewarding. We look forward to building enduring partnerships and contributing to your organization's growth through our capable and motivated students.

Why Recruit from - SVIMS

At Sir M. Visvesvaraya Institute of Management Studies & Research (SVIMS), we believe that employability is built through a combination of academic excellence, practical exposure, industry engagement, and continuous professional development. Our graduates are equipped with the knowledge, skills, and attitude required to make meaningful contributions from the very beginning of their careers.

Our Distinctive Strengths

Industry-Integrated Learning
A curriculum that blends academic rigour with practical business applications through live projects, internships, case studies, simulations, and industry interactions.

Earn While You Learn
Our flagship PGDM with Industry Immersion Management Studies program provides students with extended corporate exposure, enabling them to gain valuable work experience alongside their academic journey.

Strong Industry Connect
Long-standing partnerships with leading organisations across Banking & Financial Services, FMCG, Manufacturing, Consulting, Hospitality, Retail, Pharmaceuticals, IT, and Emerging Businesses provide students with diverse learning and career opportunities.

Experiential Learning
Students actively participate in live consulting assignments, market research projects, industrial visits, guest lectures by industry leaders, and real-world business challenges under the guidance of experienced faculty.

Diverse Talent Pool
Our students represent diverse academic backgrounds, specialisations, and experiences, bringing varied perspectives and adaptability to the workplace.

Corporate-Ready Talent
Students undergo continuous grooming through aptitude training, mock interviews, group discussions, communication enhancement programmes, personality development workshops, and industry certifications.

Experienced Faculty
A dedicated team of academicians and industry professionals mentors students through classroom learning, research, consultancy projects, and corporate engagement.

Commitment to Excellence
Consistent placement performance, strong corporate relationships, and a learner-centric ecosystem reflect our commitment to developing competent, ethical, and responsible management professionals.

At SVIMS, we do not merely prepare students for job, we prepare them to create value, lead teams, solve business challenges, and contribute meaningfully to organizational growth from day one.

Message from the Head – Corporate Resource Cell

Dear Recruiter,

It gives me immense pleasure to present the **Placement Brochure of Sir M. Visvesvaraya Institute of Management Studies & Research (SVIMS), Mumbai.** At SVIMS, we firmly believe that meaningful management education extends beyond the confines of the classroom. **Our Corporate Resource Cell (CRC)** serves as a strategic bridge between academia and industry, ensuring that our students develop the knowledge, practical exposure, professional competencies, and ethical values required to thrive in today's dynamic and competitive business environment.

Our approach to student development is deeply rooted in **experiential learning and industry engagement.** Through live projects, summer internships, corporate mentoring, industry interactions, certification programmes, mock recruitment exercises, and continuous employability enhancement initiatives, we strive to prepare our students to make a meaningful contribution from the very first day of their professional journey. A distinctive offering of SVIMS is our **PGDM with Internship with Industry Immersion Management Studies** programme, founded on the philosophy of **"Earn While You Learn."** This unique initiative provides students with sustained corporate exposure alongside their academic pursuits, enabling them to translate management concepts into real-world business practices. The programme helps students build confidence, professionalism, adaptability, and workplace readiness—qualities that are highly valued by today's employers.

Our students come from diverse academic and professional backgrounds and are nurtured across a broad spectrum of management disciplines, including **Marketing, Finance, Human Resources, Operations, Business Analytics, and emerging areas of management.** Beyond functional expertise, we focus on developing critical thinking, effective communication, problem-solving abilities, innovation, teamwork, and adaptability to the evolving demands of industry. The continued confidence and support of our recruiting partners have enabled SVIMS to develop strong and enduring corporate relationships across diverse sectors, including **Banking & Financial Services, FMCG, Manufacturing, Pharmaceuticals, Hospitality, Retail, Information Technology, Consulting, and Logistics.** These partnerships have played a significant role in enriching our students' industry exposure, strengthening their professional capabilities, and creating meaningful career opportunities.

On behalf of the entire SVIMS community, I extend my sincere gratitude to our esteemed recruiting partners for their continued trust and confidence in our students. We also warmly invite new organizations to associate with SVIMS and discover a pool of talented, motivated, and industry-ready management professionals. **The Corporate Resource Cell** is committed to ensuring that every recruitment engagement with SVIMS is **efficient, seamless, and mutually rewarding.** We look forward to establishing long-term and meaningful partnerships that create sustainable value for both your organization and our students. We sincerely appreciate your interest in SVIMS and look forward to welcoming your organization to our campus.

Batch Overview

Future-Ready Talent with Diverse Perspectives

The Batch of 2026–28 at SVIMS represents a vibrant mix of academic disciplines, professional aspirations, and functional specializations. Carefully nurtured through a rigorous academic curriculum and continuous industry engagement, our students are equipped to excel in today's dynamic business environment.

The batch comprises graduates from Commerce, Management, Engineering, Finance, Information Technology, Science, Banking & Insurance, Biotechnology, and other allied disciplines, bringing together diverse perspectives that enrich classroom learning and collaborative problem-solving.

Students have pursued specializations in Marketing, Finance, and Human Resources, with many gaining valuable corporate exposure through internships, live projects, consulting assignments, and industry certifications. Their blend of analytical ability, business acumen, communication skills, and professional ethics makes them valuable contributors across industries.

The accompanying infographic presents the batch composition in terms of academic background, specialization, gender diversity, work experience, and internship sectors.

Academic Programmes

Management Education Aligned with Industry Needs

SVIMS offers management programmes that combine academic excellence with experiential learning, enabling students to develop strategic thinking, analytical capabilities, leadership qualities, and professional competence.

PGDM (with Internship) with Industry Immersion Management Studies programme

SVIMS' flagship programme integrating academics with long-term corporate internships under the philosophy of "Earn While You Learn." Students gain practical exposure throughout the programme, enabling them to graduate with meaningful workplace experience.

Post Graduate Diploma in Management (PGDM)

An AICTE-approved programme offering a contemporary curriculum with industry-oriented pedagogy, case-based learning, research, and corporate interaction.

Master of Management Studies (MMS)

A two-year, full-time programme affiliated with the University of Mumbai, designed to build strong managerial foundations and functional expertise.

Across all programmes, learning is enhanced through case studies, simulations, business analytics, research projects, certifications, guest lectures, industrial visits, and live consulting assignments.

Faculty Excellence

Experienced Mentors. Industry Perspective. Academic Rigor.

The academic strength of SVIMS lies in its accomplished faculty comprising experienced academicians, researchers, and industry professionals.

Faculty members bring together expertise in teaching, research, consulting, executive education, and corporate engagement. Their rich blend of academic knowledge and practical experience ensures that classroom learning remains contemporary, application-oriented, and aligned with industry expectations.

Through mentorship, research guidance, live projects, and continuous student interaction, the faculty plays a pivotal role in developing confident, ethical, and business-ready professionals.

Corporate Resource Cell

Building Strong Industry Partnerships

The Corporate Resource Cell (CRC) serves as the strategic interface between SVIMS and the corporate world.

Operating throughout the year, the CRC develops meaningful relationships with organizations across diverse sectors, facilitating internships, live projects, corporate interactions, and final placements. The Cell continuously monitors industry expectations and aligns student development initiatives accordingly.

Key initiatives include:

- Campus Placements
- Summer Internships

Our Learning & Development Partners

SVIMS Corporate Resource Cell

The Corporate Resource Cell at SVIMS Business school looks after the employment possibilities of the students in business, trade and service organizations. It is a round the year activity and not just confined to summer training projects and job placement. The cell maintains a strong data base of potential recruiters, maintains continuous liaison with them and assesses trends in their requirement, which help the placement cell prepare the prospective managers on those lines. The Corporate Resource Cell organizes workshops, guest lectures and seminars to enhance both technical and soft skills among students. It encourages students to work on live projects, which helps them to relate to classroom teachings with industrial practices. In order to have a better understanding of the organization culture/industrial process, the cell also organizes industrial visits for its students at regular intervals. The Corporate Resource Cell at SVIMS, therefore, grooms students holistically right through soft skills, presentation skills and interview skills to successful attainment of lucrative job offers. As a result of the above, 100 percent of the last PGDM & MMS batch students have been placed in reputed companies in the salary packages ranging from Rs 6 lakhs to 26 lakhs per annum. The reputation which SVIMS Business School has gained owes itself to strong industry networking and excellent placement records.

Training & Certifications

The Institute has offered following Certification courses to the students to help them evolve holistically-

- **Applications of AI Certification Workshop - IIM, Mumbai**
- **Global Logistics & Supply Chain Management- WTC**
- **Advanced Excel & Power BI Certification**
- **Financial Analyst Certification**
- **Global Markets Immersion Program**
- **Global Finance Certification Program**
- **International Trade – Export Import Procedure & Documentation**

Personality Development

The SVIMS Business School has the evolved a philosophy of education, which emphasizes holistic development of its students and an education system that looks beyond employment and concentrates on individual development by imparting to the students the skills of life-time relevance and developing them as well adjusted human beings. SVIMS organizes workshops, seminars and lectures that focus on developing the overall personality of the students. Mock Interviews and Group Discussion sessions are being regularly conducted by in house faculty members and other external experts from the Industry to help students become Industry ready.

Institute - INDUSTRY INTERFACE

With our ever-increasing attempts of giving maximum exposure of the industry, the latest market trends and guidance to our students from time to time, SVIMS Business School has found its niche in the academic world. Referring to the growing trends of industry-institute interactions we have always strived to build up relationships with industries. Specialized programs are being organized periodically on various topics and the faculty gets trained on advanced topics by experts. Such programs bridge the technical gap that students normally would encounter between academia and the industry. Institute also organises focused Management Development Programs (MDP) for the development of corporate managers.

Live Projects with SIRCC

Under SVIMS Industrial Research & Consultancy Centre (SIRCC) our students get a chance to work on real world problems faced by industry. SIRCC collaborates with industry clients and take-up research and consulting projects. Students work on these live projects which give them exposure to applied research and problem solving. SIRCC undertakes Market Research Projects across Industry sectors namely – Banking , Financial Services & Insurance , FMCG , Consumer Durables , Chemicals , Pharmaceuticals & Manufacturing Strategy & Execution Projects in the Energy Assessment / Sustainability Domains, Projects on Market Penetration & Product Development Strategy, Tapping New Market for MSMEs, Third Party Audit of Entire Supply Chain Processes and Systems

The current batch students have worked on the Live projects offered by following organizations :

- UTI Mutual Fund
- IIT, Bombay

Summer Training

On completion of the first year of PGDM programme, students gain hands-on experience in the application of core concepts and functional skills. This practice of 'Learning by Doing' helps the students to relate to the rigours of theory in the world of business. Students work on projects as per the specifications of the company. At the end of 8-10 weeks of closely guided projects under the supervision of the company executive, each student submits a report to the company and to the Institute. The concerned company executive normally provides feedback to the Programme Director on the students' performance. The concerned company executive normally provides feedback to the Programme Director on the students' performance.

ALUMNI SPEAK

I recently completed PGDM in Finance from SVIMS Business School, and I can confidently say that it was one of the best decisions I've ever made. The college offers an exceptional blend of academic rigor, supportive faculty, and a vibrant campus life. Not only is it a fun and enriching experience, but it's also a platform for personal growth and development. The faculty's use of simple language makes understanding complex concepts easier, enhancing the learning process. The placement process taught me valuable lessons in facing competition, managing pressure, and maintaining confidence, preparing me well for my professional journey ahead.

Mr.Abhishek Chaturvedi
Deloitte

Every day in my corporate life, reminds me the learnings gained from PGDM course. They taught me how to work under pressure. They changed my personality from problem oriented to solution oriented. And yes all learnings from SVIMS. Makes me stand out. With modern facilities and ample placement opportunities, SVIMS truly prepares students for success in the field. Grateful for the invaluable experience and support from the SVIMS team.

Thanks to entire faculty & staff.

Shruti Bangera
Morgan Stanley

I would like to express my sincere gratitude to SVIMS for helping me in each and every step of my professional career. The institute provided me a great platform to learn and implement great skills and knowledge with its great Intensive Internship ie Earn while you Learn program. The institute provided me great infrastructure and possible platform to excel in my career interest. The Expert faculties made me industry ready and made sure all session are interactive while the Placement training enhanced my soft skills which made me standout from others and helped in my career

Kushal Pandya
HDFC Bank

I would like to express my sincere gratitude to all stakeholders of Sir M Visvesaraya Institute of Management Studies for shaping my personality and giving a head start to my career with Haldirams. The two years which I spent in the Institute pursuing my MMS have played a pivotal role in my professional life. The Institute emphasizes the holistic development of its students which ensures their success in corporate world.SVIMS has teachers who provide a supportive and enriching learning environment with lot of dedication. The college excels in academics, extracurricular activities, and student support services, making it an outstanding institution for higher education.

Mr. Gurunarayan Pandey
Haldirams

From administrative tasks to academic support, the staff members are always ready to lend a helping hand. The faculty members at SVIMS are not just educators but mentors who are deeply invested in their students' success. I am incredibly grateful for the exceptional support I received from SVIMS. MMS program offers a well-rounded experience that combines academic rigor with practical exposure, helping students develop the skills and mindset needed to succeed in their careers. Recommended for sure!
